On The Horizon

## In Loving Memory...

Rev. Harold Reese passed away on May 14, 2001 in Kitchener, Ontario. Rev. Reese was the father of Rev. James Reese, the founder of Christian Horizons in Canada. He also pastored First Baptist Church of Williamston for 57 years and was quite involved and supportive of Christian Horizons, Inc. Many gifts were given to Christian Horizons, Inc. in memory of Rev. Reese. We wish to extend our sympathy to the Reese family and our thanks to all who gave memorial gifts.

### Meet the Board of Directors

In this newsletter we will be featuring Nancy Munk in our board profile. Nancy lives in Williamston, MI. She was married in 1965 to Dale Munk. Dale passed away in 1994 with complications from asthma. Nancy has two married sons and two grandchildren. She attends First Baptist Church of Williamston and teaches 2nd and 3rd grade Sunday school. She enjoys quilting, crafts, nature and the outdoors. After high school she received her cosmetology license and later went on to get her one year accounting certificate from Lansing Community College. Nancy now works in the accounting dept at Universal Map Enterprises Inc.

Nancy learned about Christian Horizons from her involvement at First Baptist of Williamston. She has been involved with

CHI for several years. Her husband Dale was the president from 1985-1990 and the treasurer from 1990 until his death in 1994. Nancy has been a board member since May of 1997. She has helped at Conference by working in the kitchen and as a utility person. Her favorite part about working with CHI is the opportunity to work at Conference and see the guests have a good time with friends and how they interact with each other and the staff. She also says " I am thankful for working with the different board members over the years. I have learned a lot from them and my faith has grown very much."

Nancy doesn't have any one favorite Bible verse or character. She likes to read and study Psalms and Proverbs. Psalm 143 in particular has been a special help to her in the past few years.
