

On The Horizon

Horizon Conference 2000

Our conference will be running for four weeks this summer. The theme is, "In Search of Victory. Putting on the Whole Armor of God." We are basing our decorations, skits and activities on the Renaissance time period, using knights, fair ladies and jesters. Our large event on Thursday afternoon will be "The Village Faire", and will include games and activities resembling that time period.

One of the purposes of the Horizon Conference is to teach each guest about God and His instructions for living. In Ephesians 6 we are taught the importance of putting on the

different parts of the armor of God, so that we can stand up under the schemes of the devil. This is the passage we are using for our chapels and skits. Our goal is to teach our lessons at a level that all will be able to understand and apply to their own lives.

We are very excited about conference this year and we are looking forward to making new friends and catching up on our old friends. One of the programs we offer so that all can be involved is our sponsorship program. This enables those who cannot afford to pay all of their cost to come to camp. If you are interested in participating in our sponsorship program please call or write for more information.

Moyer Gardens

Many are wondering what has been happening with the Academy, our day program. We are in the process of refurbishing our building on Moyer Road in Williamston to have the academy. We are excited to report that we have received some donations of various materials and supplies that are needed to get the building up to code. There is much to be done. Several people have shown an interest in volunteering their time to accomplish some of the different tasks that have yet to be done. One youth group is picking a project and raising the money to come and do the project, in March. If you desire to donate any materials or time, please contact Don Curtis at doncurtis4@juno.com or (616)-956-7063 . He has an updated list of the things needed and can

schedule a work day with you and/or your group.

Praises and Prayer Requests:

- We serve a mighty all knowing God, who loves us and seeks our best.
- People are registering for conference.
- God will provide for all our needs.
- Pray for the board members as they seek wisdom in making Godly decisions.
- Pray that the cooling system at the greenhouse can be replaced and other repairs can be made so that we can grow tomatoes this year.
- Pray that the funds will be provided, so that bills can be paid.

Challenge

When I feel as if no one is there,
The Lord say's "Lean on me I still care."
When nothing seems to be going right
The Lord say's " You are still precious in my sight."
When everything just goes down hill,
The Lord say's "Stop!, and try my will."
When I seem to fail in everything I do,
The Lord opens His arms and say's "I Love You."

God also wants us to be strong and courageous. He wants us to seek Him constantly and to study His word daily. He will not only be there with us through the good times, but also in our times of battle with Satan and sin. He reminds us to "not be afraid, nor be discouraged, for the Lord your God is with you wherever you go." Praise the Lord, that He fulfills His promises!

I am reminded in Joshua 1:1-9 of where Joshua is commissioned to lead the Israelites across the Jordan River into the promised land of Canaan. Joshua is called to be strong and courageous three times. In verse six, God tells him to be strong and of good courage because he will stay with Joshua and give him victory in the upcoming battles to take over the promised land.

In verse seven Joshua is commanded again to be strong and very courageous. This time he is reminded to obey the law of Moses. Joshua would receive God's power through His word. In order for Joshua to win the physical battles he needed to strengthen himself spiritually by being in God's word.

Then again in verse nine, Joshua is reminded to be strong and of good courage. For God promises His presence will be with Joshua where ever he goes. He doesn't need to be afraid or discouraged.

For Sale:

- Two hydroponic boilers- used for two years- natural gas- 1,825,000 BTU's, includes circulation pumps- 3,500.00 each. For more information please contact Steve or Nora at (231)- 825-2735.
